

## **Lone Star Dog Ranch - Dallas Dog Boarding**

### Description:

For Dog Boarding in Dallas or Dog Kennels in McKinney or across North Texas look no further than Lone Star Dog Ranch.

We are a completely social facility. The only time your dog will be confined is for meals and sleep. The rest of their time is theirs to enjoy themselves while you are away enjoying yourself.

Dogs are free to swim, play with other dogs, lay under a shade tree, sleep on the couch in the air conditioning or go back to bed and be alone if they want. They can choose to go inside the ranch building or outside anytime they want.
